ADULT WORK EXPERIENCE INTERN - VIDEO EDITOR JUN 2025 - AUG 2025

- Collaborated with supervisor to edit both archived and current video productions for clients, utilizing Premiere Pro to organize cuts, synchronize footage, clean audio, and enhance final edits with striking color grade.
- Applied artistic literacy to produce motion graphics via Procreate, with hand-drawn and textured visuals, all pre-conceived by the grace of low cost storyboarding before making the official video.
- Provided occasional support to studio staff by assisting with student instruction, onboarding to projects, and managing basic inventory tasks.

SDSU, School of Art & Design San Diego, CA

STUDENT LAB INSTRUCTOR AUG 2022 - MAY 2023

- Supported the Fabrication Lab supervisor as a printing lab instructor, with a role in assisting students and faculty in transforming their unique ideas into physical prototypes using equipment such as 3D printing using polyactic acid (PLA) filaments, laser cutters, and vinyl cutters.
- Basic operation of Adobe Illustrator to create cuts, engrave, or burn materials like plywood, cardboard, cardstock, acrylic, and plexiglass.

Casa Familiar San Diego, CA

COMMUNITY ART PROGRAM INTERN JUL 2019 - AUG 2019

- Actively engaged in a community-driven project, sponsored by Casa Familiar, collaborating with UCSD students & San Ysidro residents in identifying local safety concerns.
- Conducted interviews, documented photos and recordings, facilitated conversations to gather community input.
- Worked closely with other residents of the community to co-develop proposals, with UCSD architects, for safer, well-lit alleyways throughout the neighborhood.
